Geoff Shattock is Founder of WORKTALK. a leading provider of resources to help people work well by working spiritually.

A physiologist, stress psychobiologist & ordained minister, Geoff has pioneered teaching, training & coaching for churches, charities, businesses & individuals for over twenty years & has worked with the UK's national government task force on

employment projects. A member of the International Stress Management Association he has also completed a research project on the impact of faith on occupational stress. Geoff is a major conference speaker, broadcaster & writer who manages to combine his accessible speaking style with communicating powerful life changing thinking. He is currently finishing a book on the working methods of Jesus of Nazareth.

Geoff is married to Maria, a senior media resources officer, and they have one daughter, Suzy, who is a medical student.

> "No one in the US has seen the faith work issue like this"

Pete Hammond, Vice President, Intervarsity Christian Fellowship
