

WORKTALK DVD Version

The seven sentences spoken by the historical figure of Jesus of Nazareth as He died give you profound insight into the way He fulfilled His life's mission, purpose and work and form a perfect model for you to adopt in fulfilling yours.

See Jesus display powerful stress management skills. Eavesdrop as He dispenses hope, captures the moment and juggles priorities. Watch Him battle with discouragement, isolation and exhaustion yet remain real, spiritually alert and true to Himself. Follow Him as He completes the work He was born to do. Let the Man who changed the world change the way you work.
